

## Environmental Policy Statement

London Engineers Company (LEC) is committed to conducting its business activities in an environmentally responsible and sustainable manner, in full compliance with all applicable environmental laws and regulations in the United Kingdom.

- 1. Legal Compliance:** LEC acknowledges its legal obligations under UK environmental legislation, including the Environmental Protection Act 1990, the Climate Change Act 2008, and other relevant regulations. We are committed to complying with these laws and implementing any necessary measures to uphold environmental standards.
- 2. Pollution Prevention:** LEC is dedicated to preventing pollution by identifying potential sources of environmental harm and taking proactive measures to minimize or eliminate them. We implement strict controls to prevent emissions, spills, and other forms of pollution.
- 3. Resource Efficiency:** LEC is committed to efficient resource use, including energy and water conservation. We strive to reduce our carbon footprint by minimizing energy consumption, implementing energy-efficient technologies, and reducing waste generation.
- 4. Waste Management:** We manage waste generated by our operations responsibly. LEC is committed to reducing waste through recycling, reusing materials, and ensuring the safe disposal of hazardous substances in accordance with UK regulations.
- 5. Sustainable Products and Services:** LEC promotes sustainability in its products and services, prioritizing environmentally friendly solutions and materials. We work closely with suppliers and partners to source sustainable products.
- 6. Continuous Improvement:** We are dedicated to continuous improvement of our environmental performance. We regularly review and update our environmental objectives and targets to ensure that our operations align with the highest environmental standards.
- 7. Employee Engagement:** LEC recognizes the importance of engaging employees in environmental initiatives. We provide training and encourage active participation among our staff to promote environmental awareness and responsible behavior.
- 8. Communication and Reporting:** We communicate our environmental policy and progress transparently to stakeholders, including employees, customers, suppliers, and regulatory authorities. We also commit to promptly reporting any environmental incidents as required by law.
- 9. Community Responsibility:** LEC is committed to being a responsible member of the communities in which we operate. We engage with local communities, listen to their concerns, and actively seek opportunities to contribute positively to the environment.

10. Review and Compliance: Our environmental policy is regularly reviewed to ensure its ongoing relevance and effectiveness. We are committed to meeting or exceeding all legal and regulatory requirements related to environmental protection.

This environmental policy reflects our dedication to environmental responsibility and sustainability, aligning with the principles of UK law. All employees and stakeholders are expected to support and adhere to this policy.
